ABOUT THE BRISTOL HUB

The Bristol Hub is a nonprofit teen center serving youth up to age 19 with the mission of providing a safe, supervised, substance-free environment when school is not in session. We provide an alternative to traditional after school activities by giving teens a place of their own to socialize, study, access the internet, hear music, explore interests like visual arts or videography, feel safe and experience the support and supervision of adults who respect the challenges of young adulthood.

The Bristol Hub is a program of the Bristol Recreation Department and is located at 110 Airport Drive in Bristol, Vermont, right across from Mt. Abraham Union High School. Our current drop-in hours are 2:30-6pm, every school day. For further information, events, and more, visit <http://bristol skate park.com>.

ABOUT 20 UNDER 20

20 UNDER 20 is an opportunity for anyone under 20 to take part in a photo challenge, practice expression and creativity, expand skills and understandings of visual arts, receive constructive feedback, and have work published and exhibited. If this pilot project is successful, similar opportunities will be made available in the future.

20 UNDER 20 is made possible in part by support from United Way of Addison County and Bristol Friends of the Arts.

Visit The Bristol Hub's website for updates and additional information about 20 UNDER 20 at <http://bristol skate park.com>.
